Nobilis

Like a wood that endures through time, Nobilis reinterprets walnut in porcelain stoneware with warm, refined surfaces. The range includes Noce Classico, Noce Naturale and Noce Sbiancato in 20x120, 22.5x180 and Chevron 11x54 sizes, all with a natural R9 finish. Sublime Sync and 3D Ink technologies enhance visual depth and tactile sensitivity, with pairings inspired by stone, concrete or marble effects for contemporary residential and commercial spaces.

Legend

Destinazioni d'uso

D
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

G
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

H
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

Color variations

V0
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

V3
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4
Ubstantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
